WORK EXPERIENCE

Private Tutor

Maths and Science Specialist (Classes 5 - 10)

Aurangabad, MH
Jun, 2018 - Dec 2024

- 6+ years of experience teaching Mathematics and Science to classes of 50+ students across various boards and competitive levels.
- Achieved a 100% success rate in helping students clear Level 2 of the Homi Bhabha Examination for Class 6th and 9th.
- 80% of students coached by me successfully cleared IMO (International Mathematics Olympiad) and NSO (National Science Olympiad).
- Taught CBSE, ICSE, State, and IB board curricula in Hindi, English, and Marathi, catering to multilingual student needs.
- Provided online Science coaching for students from Grades 8–10 based abroad (international tutoring experience).
- Designed and developed customized worksheets and questionnaires to strengthen conceptual understanding and exam readiness.
- Trained students for the National Scholarship Examination (NSE), supporting scholarship achievements at school level.
- Served as a guest lecturer for Food Technology at the University Department, Aurangabad, delivering specialized sessions.

Phonics Tutor

Certified Phonics Teacher

Aurangabad, MH
Jun, 2023 - Dec 2024

- Taught Phonics and Early English Literacy to children aged 3–8 years, focusing on building foundational skills in letter sounds, blending, segmenting, and pronunciation.
- Helped young learners develop English speaking skills through interactive phonetic exercises, sound recognition games, and structured speaking practice.
- Designed engaging activities, worksheets, and storytelling sessions to support sound awareness, vocabulary building, and confident English communication among early learners.

ACHIEVEMENTS

Nikiara Superfoods

Co-Founder

Aurangabad, MH
Jun, 2020 - Dec 2022

- Co-founded Nikiara Superfoods, a health-focused startup solving protein deficiency in adults through innovative products like candies and gummies.
- Scaled the business to 50+ clients, including international clients, within the first two years of operations.
- Led strategic initiatives to drive revenue growth and successfully achieved break-even, ensuring financial sustainability of the startup.
- Directed marketing efforts, creating and guiding the team in designing brand templates, marketing materials, and social media creatives using Canva, to strengthen brand identity and customer outreach.

Scholarship Award

Academic Student

Aurangabad, MH
Aug, 2018 - Mar 2019

- Selected for the prestigious Erasmus+KA107 Scholarship, across India, for academic excellence and leadership potential.
- Represented India at the University of Santiago de Compostela, Spain, completing a full semester as part of the international academic and cultural exchange program.
- Built strong international relationships, enhanced cross-cultural communication skills, and contributed to global academic collaborations through participation in interdisciplinary projects.
